Series Concept

RAY IS LOOKING FOR A JOB AND ENDS UP IN A VERY SPECIAL REAL ESTATE AGENCY, CALLED "RAINBOW AGENCY", WHERE THE OWNER (SUPERVISOR) TEACHES HIM TO LISTEN TO THE REAL DREAMS OF THE CUSTOMERS, NOT JUST TO THEIR NEEDS.

SUPERVISOR TRAINS RAY TO BE SENSITIVE TO HIS FEELINGS AND TO OPEN UP TO THE ABSOLUTE STREAM OF POSITIVE ENERGY, IN ORDER TO BE A CATALYST FOR CHANGE, NOT JUST A REGULAR AGENT WHO SELLS REGULAR HOMES.

RAY WORKS WITH LENA BOREALIS, WHO WAS ALREADY PART OF THE TEAM AND THEY LIVE SEVERAL SYNCHRONICITIES THAT LEAD THEM TOGETHER. THEY DISCOVER THE WORLD OF THE SUPER POWERS AND RAY BECOMES THE NEXT RAINBOWMAN.

RAINBOWMAN REMINDS TO ORDINARY PEOPLE OF THEIR SUPER POWERS, OFTEN FORGOTTEN, THROUGH THE POWER OF THOUGHT ALIGNED TO THEIR EMOTIONS.

LU JACKSON BECOMES DARK THOUGHT, THE VILLAIN OF THE SERIES, DURING THE FIGHT WITH RAINBOWMAN HE WILL UNDERGO AN EVOLUTION, THAT WILL MAKE HIM UNDERSTAND HOW HIS EMOTIONS, LIVED IN A CERTAIN WAY, LED HIM TO BECOME THAT KIND OF "BAD".

Episodes concepts

Episode 1

A POWERFUL STREAM

The speech given by Supervisor, the head of the Rainbow Agency, does not seem to have aroused much interest in the crowd that came to listen to him. Ray is the only one who shows up at the agency after that speech. After an initial hesitation, the training starts. Ray begins to understand the difference between needs and desires, fear and trust and how to connect to the Absolute Stream of Energy, even if it baffles him a little. Lena confesses to Ray that Supervisor has particular sensations about him. The Supervisor sees something good in Ray, though he is not yet aware of the importance of this feeling. Lena teaches Ray about the concept of Light. Upon awakening from an intense dream, everything starts to become clearer for Ray.

Episode 2

COLOURED ARCHES

Unexpected news causes discomfort in Ray, but Super's explanations lead him to new discoveries and considerations. The meeting with Angela becomes very demanding for Ray: the opposite poles of energy cause an explosion, but it is also the occasion for the first real contact with Light and its colours. By better understanding the concept of Frequency, Ray will discover how to become RainbowMan and make wonderful coloured arches. A person from Super's past comes back on the scene: it's Mr Jackson, the future Dark Thought. The conversation that takes place between the two brings out old unresolved issues: the main cause of Mr Jackson's discontent. When Ray tries to help Melinda, Lena reveals her Northern Lights nature.

Episode 3

TRUTHS UNVEILED

Melinda joins the agency team. Mr Jackson returns to the Rainbow Agency: he would like to be part of it again, but Super reveals that Ray is the next RainbowMan, whereupon there is no place for him at the agency, Mr. Jackson leaves the office full of anger. Ray can see his face and understands that it is the person who was in Angela's apartment. Ray will discover that Angela and Mr Jackson were like him and Lena, but things didn't work out. Ray asks Super for explanations, realising that the man feels guilty and a little responsible for Lu's mood. When Angela has a relapse, the situation precipitates, and now RainbowMan must face Dark Thought. In the second fight with Dark Thought, Super must clear things out by producing the SuperNova, which will cause him to go to the Light (die).

Episode 4

DOUBTS TO SOLVE

Ray and Lena keep their promise to Super and go to scatter his ashes at the Temple of Light in Latin America, where they are welcomed by the guardian Ar, a member of the ancient dynasty which included Super's wife Luz. Ray feels the weight of responsibility as Super's heir. He will appear to him in energetic form, encouraging him to stay in the Temple and follow the teachings of Ar, as he did before him as well. Ar teaches Ray that the Light comes from within and understanding this concept he will feel better and will be more powerful. While Ray is unable to perform his training to his best, Melinda calls him, begging him to return: an elderly blind gentleman, who is giving her excellent advice, has confided her that Dark Thought is about to return.

Episode 5

A MENACE RETURNS

Dark Thought, after his defeat in the last clash with RainbowMan and Supervisor, who first refused him at the Rainbow Agency and then neutralised him with his SuperNova, experiences intense moments. His anger now becomes a desire for revenge. Angela's younger brother Denis, the future Thunderbolt, is now supporting Dark Thought and with Supervisor off the scene, Dark Thought is pondering an attack to the Rainbow Agency. Denis makes an inspection at the Rainbow and meets Melinda. He feels something for her, but Melinda senses something strange in him and she doesn't give him much attention. Denis feels rejected and this causes him frustration. Dark Thought has learned from Denis that Melinda is the only one at the Rainbow Agency, so he decides to attack the Agency that night. Ray arrives but cannot become RainbowMan in the absence of the sun. Dark Thought believes he has the victory, when Melinda surprises him with her Moonbow.

Episode 6

EXPANSION

Dark Thought took a heavy hit, and blame and doubt made their way into him. Denis, who had always felt admiration for Lu, encourages him to attack again the Rainbow Agency. Angela tries to prevent it but without success. Meanwhile, Denis has an influence on Angela, who returns to feel an emotion of blame and disappointment regarding the old Supervisor story. Denis takes on the role of power and strength by becoming Thunderbolt and one again decide to take the Rainbow Agency. Lena, Melinda and Ray are waiting for them: the confrontation is tight, but now Ray has understood that the Light comes from within and this time RainbowMan succeed to create the Powerful Circle Rainbow, even at night.

Episode 7

SOMETHING EMERGES

After the last fight, a sense of powerlessness, frustration and pessimism are the emotions that lodge in Lu, Angela and Denis. Dark Thought feels deprived of all his strength and power and a feeling of strange bewilderment takes hold of him, he thinks there is nothing more to do. When the demotivation seems to have created a void in him, he realises that he is still able to produce some effect: the dark clouds give way to a dense fog. Dark Thought is surprised, but seeing that he is the author of the dense curtain that is spreading everywhere, and that is throwing many people in fear and indecision, he begins to derive a certain satisfaction. At the Rainbow Agency, they witness the formation of this phenomenon, wondering if it is the work of Dark Thought and what they can do, since it is producing a great sense of boredom, which leads everybody to no longer have perspective and vision. The elderly blind man reveals his identity: he is the father of Luz, Supervisor's wife. The man creates a magnificent Fogbow where he makes his transition into the Light (die) and right before that, he suggests to return to the Temple of Light to discover more of the legacy left by his daughter.

Episode 8

A COLOURFUL AWARENESS

Ray and Lena are on their way to the Temple of Light. Ar welcomes them. A few days pass and Ray asks Ar why he hasn't shown him the legacy yet. Ar replies that in due course it will happen. Lu is experiencing new empowering emotions: he thought that after everything that had happened, he would have felt a sense of defeat, but it is not so. In him there is a feeling that comes close to hope, he is almost afraid to say it, but he tells Angela and she happily proposes to leave for a while the place that has been the scene of clashes and rivalries. Denis feels like going back to the Rainbow Agency to meet Melinda. Meanwhile, Ar leads Ray and Lena to a new place. Once there they realise that it is a school located on a magnificent plateau, where many children and young people live. Lu and Angela show up in the same place. The two feel that there is something new between them. At that moment, Ar explains more about their journeys towards the Light and then gives a signal. After that, many children run towards them while creating wonderful rainbows. Lu begins to cry with joy, he feels that whatever may have been missing from his life, has now found him.
