RIDE WITH ME

A HOLIDAY-OBSSESSED KILLER HIJACKS A RIDE-SHARE VEHICLE ON HALLOWEEN NIGHT AND DISHES OUT MADNESS AND MURDER TO UNSUSPECTING PASSENGERS

RIDE WITH ME

Jasper (RAY WISE), a mysterious man dressed in orange and black, is picked up by a friendly ride-share driver named Jim (Sean Gunn). The two men get into an intense discussion about Halloween in which it's revealed that Jasper takes the holiday and its customs very seriously, with a particular fondness for scary stories. Jasper demands Jim tell him the scariest story he can think of, and Jim responds with a cliché-ridden ghost story. Not satisfied, Jasper stabs his driver to death and takes over the car for the rest of the night, picking up passengers and subjecting them to his ghoulish game. Elise, a strong-willed young woman on her way to a costume party, survives by telling a haunting ghost story. Her friend Sarah is not so lucky. Now, it's up to Elise to track down the evil driver and put an end to his annual night of horrors once and for all.

JASPER

Jasper (RAY WISE), a mysterious man dressed in orange and black, and obsessed with Halloween. Every year during Halloween, he wreaks havoc by choosing his victims based on their ability to share a story that is truly scary. If the story holds up, the victim unknowingly escapes death. But if the story isn't good enough for Jasper, you loose your life. On this particular year, Jasper has a new vehicle to spread his mayhem. Literally.....

After using a popular new ride share service, Jasper murders his driver and takes over his car. This leads to a night of driving horror.

ELISE

Elise is the life of the party. Her and Sarah start Halloween at a bar prior to going to a costume party. They decide to call a ride-share in order to get to the party, but not before Sarah decides that she no longer wants to go and decides to take the ride-share home after Elise is dropped off. Elise is understanding because Sarah has a broken foot and is in a cast, but after she leaves Sarah with the shady ride-share driver (Jasper), she begins to worry . When Elise can't get ahold of Sarah, she decides to track down the Jasper, only to find herself dragged even deeper into his murderous mayhem.
